

OAJA Training Programme

Registration Form 2011-2012

FIRST Semester – Fall 2011

Registration Procedures:

- 1) Training candidates must pre-register by form for all seminars and workshops in which they wish to participate.
- 2) Where enrolment limitations are specified, registrations will be recorded on a first-come/first-admitted basis once registration has opened.
- 3) In order to equalize mailing times registration will commence on August 2, 2011. Get your registration forms in early. They will be processed in random order by the office beginning on August 2, 2011.
- 4) The deadline for registration will be August 19, 2011 for the first semester and December 9, 2011 for the second semester. Within three business days following registration deadlines, courses with less than five registrants will be cancelled. Those who register for courses that are cancelled will be notified and given one week to register for other courses not yet filled. **N.B. Your pre-registration is very important if courses are to run.**
- 5) Register on the accompanying forms by checking course number (1200, 1216, etc.) and title of the offering.
- 6) Send completed forms to the office, 223 St. Clair Ave. W., Third Floor, Toronto, Ontario, Canada M4V 1R3, by mail or fax (416-961-6659). Only mailed or faxed forms will be processed. Forms sent by email will not be accepted. This registration form will be returned to you, as your official record, confirming your choices and/or advising you of adjustments where necessary.
- 7) N.B. Should you register for two concurrently running courses, the office will register you for the first-named course only.
- 8) **Unregistered candidates will not be admitted to courses.**
- 9) Non-attendance has been a problem. This is discourteous to presenters and to fellow candidates who may be on a waiting list. Registration carries with it the responsibility to attend, which is why candidates sign an attendance form for each class. Please advise the office and the presenter as soon as you know you are unable to attend. Personal emergencies are, of course, given consideration; but in a country like ours, that does not (most times) include the weather. Non-attendance may affect your registration in future semesters.

Please direct comments or questions regarding the programme to Graham Jackson, Programme Coordinator (Telephone: 416-530-0074 / grahamjackson13@rogers.com).
